Signature

Applicant requests that the following corrections be made to the above captioned application, which issued on September 21, 2004, as United States Patent Number 6,793,764. B1

- (1) At col. 2, ln. 41, please replace the comma “,” with a period -- . --. Compare with p. 3, ln. 15 of the Specification.
- (2) At col. 2, ln. 41, please replace the word “a” with a capitalized -- A --.

Applicant contends the second mistake is that of the Applicant, is of minor character, and does not constitute new matter, nor does it require reexamination. The first mistake is that of the Patent and Trademark Office, as demonstrated by comparison with the Specification.

The Commissioner is authorized to charge the fee set forth in 37 C.F.R. § 1.20(a) of \$100.00 and any additional fees which may be required to Micron Technology, Inc. Deposit Account No. 13-3092, Order No. 93-0421.05.
